

# A-BAND

## A-Band Wrist Tag

A-BAND is an attractive silicone wristband incorporating a credential making it ideal for when it is impractical to use or carry a card or tag. Durable, flexible and with IP68 water protection, A-BAND is suitable for water or high temperature environments such as swimming pools, spa hotels, water parks etc in addition to “hands free” use in traditional applications such as access control, event management, e-ticketing, e-payment and loyalty programs.
