CUT & PEEL FROM EDGE TO ACCESS FIRE REGISTER

From Date

MPORTANT INFORMATION FOR ALL VISITORS

data captured in The Visitor Book & Fire ster is maintained in the interest of your ty and well-being and your attention to the wing is kindly requested.

R: The data captured here is for the purpose of compliance with Health & Safety legislation and legitimate interest for ensuring the site's safety curity. The data is not further processed and it is d securely for no longer than necessary.

stay.

se familiarise yourself with the notes on the as your signature indicates that they have read and understood.

se note that you have a duty to act in a safe her at all times. If you see something which does ppear safe, please report it to your host.

ractors must not commence work until they reported to their host and ensured that any ssary Permit to Work documentation is pleted.

sitors and Contractors must return their pass to point of issue on departing the premises at any This is to ensure we maintain an accurate and -date Fire Register.

se complete all required details on the next able pass and wear the pass visibly throughout

THANK YOU FOR YOUR **CO-OPERATION**
