Customer Testimonials – Meeting the ID needs of our College & School customers

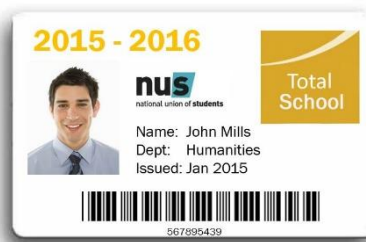

“At the Alun School we all work together to provide excellent learning experiences for all our students. Having a safe learning environment is a key part of the school and Total ID have helped us to clearly identify Staff and Visitors through providing all our ID requirements.

By working with the Total ID team we have developed a range of ID cards to identify Staff and highlight specific responsibilities - such as being a First Aider. All these card designs are managed through the Total ID card bureau service database.

New ID cards are produced quickly and cost effectively and sent directly to us at the school within 48 hours. Each ID card is worn with an Alun School branded lanyard, helping identify Staff members and present a professional image. Visitors are also easily identifiable through the printed lanyards and Visitor passes provided by Total ID.

We have always had an excellent response and service from the Total ID team and I would highly recommend them to other schools and organisations looking for their own ID solutions.”

Deputy Head Teacher, Alun School

“I would highly recommend Total ID’s bureau service! Our cards arrived very quickly and look very professional. The team are a pleasure to deal with and it has been an incredibly easy process for us.”

PETROC™

“Petroc have used Total ID for six years and have always found the company very efficient and extremely helpful. They are happy to discuss any problems we have giving us various options enabling Petroc to make an informed choice that suits the college.

Advice from Total ID covers future proofing the system enabling development of these systems. Total ID are very approachable and keep in contact without constant e-mails and phone calls.”
